

MISSIONS

A few notes. This past week *Charles Jackson* flew to Turkey to teach for a month! (Note: he received his covid test results, needed in each airport, 15 minutes before leaving here!) The *Mark Richline* family are in the USA for a brief 2-month furlough; may it not exhaust but refresh them. *Mike McCabe* and family had to delay their departure to Taiwan for another 6 months. That means they will have been in a “holding pattern” for 2 ½ years; *not easy!!* Just this week *Sam and Eunsoo Folta* returned to the USA from Yanji, China. Missionary associate *Peter Folta*, who also will imminently be in the US, asks for prayer as he seeks what the Lord would have him do next and adjusts back to this culture. The *Hopps* and *Delfils* depend on the Lord for safety in the heightened insecurity of a presidential election. Prayer is requested by *Heero Hacquebord* for “a good finished translation of the Westminster Standards” in Ukrainian. Newly posted photos from the *Lauers* in Japan, show the increase in people visiting their various ministries. For months covid had scared many away, plus new visitors have come. There’s much more to read from the updates; remember they are in plastic sleeves in front of the missions bulletin board—please borrow and read.
