

BUILDING WORK

The Trustees plan to work on the drywall in the sanctuary on **Thursday** 10/1 at 5:00pm. Our goal is to go over all of the walls and patch areas that are cracked, peeling, or have holes and to sand the walls, particularly where there are existing patches. If anyone is interested in helping with the project please see Jason Will. If you have any sanding or mudding tools feel free to bring them with you.
